## Full Stack Web Developer

A web developer with expertise in Next.js and the MERN stack, I deliver dynamic, responsive web solutions. Skilled in both frontend and backend, I ensure high-performance and user-focused designs.

## WORK EXPERIENCE

**Three Arrows**                                                          Aug,2025 - Present

- Currently working as a MERN Stack Developer at **Three Arrows** for over 3 months, contributing to full-stack web development and UI/UX optimization.

**Innoxitech**                                                                    July,2025

- Completed a 1-month internship as a MERN Stack Developer at **Inoxitech**.

**Key Projects**

- Built and deployed multiple live projects including **Smart Stock AI**, **Travel App**, **Zeta Marketing Theme** and **inventory management system**, showcasing strong skills in full-stack development, deployment, and version control.
